Disclaimer

This presentation is provided by LLC "Internet Solutions", a subsidiary of Ozon Holdings PLC. The content of this presentation is strictly confidential and intended for the recipient of this presentation only. In is strictly forbidden to share any part of this presentation with any third party, copy or otherwise disseminate it in any form. This communication includes forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 that reflect the current views of Ozon Holdings PLC ("we", "our" or "us", or the "Company") about future events and financial performance. Words such as "estimates," "expects," "anticipates," "projects," "plans," "intends," "believes," "forecasts" and variations of such words or similar expressions that predict or indicate future events or trends, or that do not relate to historical matters, identify forward-looking statements. Forward-looking statements are based largely on our current expectations and projections about future events and financial trends that we believe may affect our financial condition, results of operations, business strategy, short-term and long-term business operations and objectives, and financial needs. These forward-looking statements involve known and unknown risks, uncertainties, changes in circumstances that are difficult to predict and other important factors that may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statement. Moreover, new risks emerge from time to time. It is not possible for our management to predict all risks, nor can we assess the impact of all factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make. In light of these risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this presentation may not occur and actual results could differ materially and adversely from those anticipated or implied in the forward-looking statements. We caution you therefore against relying on these forward-looking statements, and we qualify all of our forward-looking statements by these cautionary statements.

All forward-looking statements are made as of today, and we disclaim any duty to update such statements. Our expectations, beliefs and projections are expressed in good faith and we believe there is a reasonable basis for them. However, we cannot assure you that management's expectations, beliefs and projections will result or be achieved. Investors should not rely on forward-looking statements because they are subject to a variety of risks, uncertainties, and other factors that could cause actual results to differ materially from our expectations. Please refer to our filings with the U.S. Securities and Exchange Commission concerning factors that could cause actual results to differ materially from those described in our forward-looking statements. This presentation includes certain financial measures not presented in accordance with IFRS including but not limited to [xxx]. These financial measures are not measures of financial performance in accordance with IFRS and may exclude items that are significant in understanding and assessing the our financial results. Therefore, these measures should not be considered in isolation or as an alternative to loss for the period or other measures of profitability, liquidity or performance under IFRS. You should be aware that the Company's presentation of these measures may not be comparable to similarly titled measures used by other companies, which may be defined and calculated differently. See the appendix for a reconciliation of certain of these non-IFRS measures to the most directly comparable IFRS measures.
